

We're here for YOU.

Everyone's welcome at PFLAG.

From moms, dads, sisters, brothers, grandparents, friends and allies to gays, lesbians, bisexual, and transgender persons, we welcome the participation and support of all who share in our vision and mission. We still have much to do.

In communities throughout the Pacific Northwest, PFLAG chapters are working to help make connections between family, friends and society, and to support allied groups.

Parents, Families and Friends of Lesbians and Gays, Bisexual and Transgender persons promotes the health and well-being of LGBTQ persons, their families, and friends through:

Support to cope with an adverse society

Education to enlighten an ill-informed public

Advocacy to end discrimination and secure equal civil rights

PFLAG welcomes your support and needs the involvement of interested people. For more information about chapters in your community, or how to start a new chapter, please visit our regional website at www.pnwflag.org, and our national website at www.pflag.org.
